It's just a short hop from Lake Garda, so the two can be combined in a long (but rushed) day trip if you're not planning to linger at the sights. How to get to Verona: It's just over an hour on the fast train from Milan, but the trip takes closer to two hours by car. The trip between Verona and Lake Garda takes about 25 minutes.

#1 Has anyone ever heard of this? I bought a couple bottles of H-Drol and was looking for a good OTC PCT (not trying to raise this discussion) and after finding out Reversitol changed it's formula noticed this at Supplement Warehouse. For \$30 (60 pills per bottle) it seems like a pretty good deal. Here are the ingredients and blurb:
