Test. Prop. 200mg/ml, No Pain!! I got some Test testosterone propionate made with EO, and it is so smooth. I never used testosterone propionate, but watched a few of my friends that did, and you could tell it hurt em. Sometimes only @ 100mg/ml and sometimes 50mg/ml. Does BD make a 200mg/ml Test Prop? i would like to know any input if possible thank you! 01-18-2010, 12:37 AM #2. Jack Mehoff ... I'd bet that any 200mg/mL prop would make you disabled for days from pain 01-18-2010, 12:02 PM #6. ... BD Test Prop 200. I would like to convert my Synovex-H into Test Prop powder and then go into making 50ml of 200mg/ml of Test Prop oil. Please correct me if im wrong with any of this. I will need: 10g of Test Prop powder 36.25 ml sesame oil 2.5ml Benzyl AlcoholA 5% 7.5ml Benzyl Benzoate 15% prop powder=20g BA=8 BB=19.2 That should get me around 125mg. I plain on 1cc M,W,F for 6weeks then add some tren A 150mg for 12 weeks. then I will back it down with test e 1/2 cc twice a week. I do this once a year. But I stay on 1/2 cc twice a week the rest of the summer.

I understand that I will never understand the pain that so many have carried in their bodies for generations. I understand that I will never understand the deep ancestral trauma that has plagued so many for so long. However, I stand. I open myself to see what I did not see. I open my unconscious mind to be reworked and reprogrammed so that we may build a new world. I receive the checks to my own privilege with deep gratitude and respect. [more information](#)

Test Prop @ 200mg a week what would you run aromasin at dosage and frequency ? If this is your first visit, be sure to check out the FAQ by clicking the link above.
