I decided on LGD 4033 for my first ever cycle. I got Primeval Super LGD on Amazon along with Iron Labs Cycle Support and PCT Extreme. Any feed back on cycle support and PCT would be greatly appreciated. Are the Iron Labs products sufficient? I have read up on cycle support and PCT but can't find anything that seemed specific for LGD.

## Primeval Super LGD PCT - AnabolicMinds

Anybody have any experiences with Primeval labs Super LGD? Hey guys, I was just curious if any of you guys have used primeval labs SUPER LGD and completed a cycle of it. I've heard of some capsulated SARMS being pro-hormones or something else so I was just curious. How were the gains and any PH symptoms like gyno or acne? Thanks

#1 Good morning Dylan, I've read some disturbing posts about people claiming primeval labs SARMS are fake and actually just pro hormones. I am currently taking the super LGD and super cardarine from them with mild results. How do you know for sure these aren't real SARMS?

## Primeval Labs | Pre Workout, EAA BCAA Powder & Weight Loss

i took primeval labs super lgd. i'm pretty sure it was lgd. and what is so hard to believe about having acne, anxiety & insomnia? lgd is known to cause suppression @ just 1mg a day used in the studies. what i took was 10x the amount for 2x the duration. of course side effects are going to arise.
