So, The Genius Brand Genius Protein costs \$37.95 for 2.12 lbs. It ends up being 5.27 cents per gram of protein, which is right about average for a protein powder, maybe even a little less! And you get 30 full servings per container, which I love. Sometimes proteins only have 12-15 servings, or less, and it

Genius Consciousness Review: Is It Worth Trying Out?

jarrellt67. • 5 yr. ago. Yes. Most people tend to like that one or the Sensoril extract (Life Extension uses that extract in their Ashwagandha). For most, the Sensoril extract tends to be more sedating. Malfhots. •. Awesome, thanks man. r/Nootropics.

Genius Brand Creatine Review — What's AstraGin®? | BarBend

The Genius Brand Genius Pre is a stimulant-free, nootropic-based pre-workout designed to help improve your focus and performance in the gym. It has very positive reviews, although customers do wish they could buy containers with more than 20 servings so they didn't have to purchase as often. Related Products
