Reviewed by Rebecca Williams, MD, MA, MB, BChir Last Updated: June 8, 2022 Evidence Based | Synopsis | Nutrition Facts | Pros & Cons | Precautions | Cost | How To Take | Verdict Shock Therapy is advocated as a pre workout designed for athletes who want to boost performance and train at a more intense level.

Universal's Shock Therapy Review - Bodybuilding Forums

Universal Shock Therapy I wanted to do this review earlier but I thought it would be better if I went through the whole jug first to see the long-term effects. Too many times I see reviews after one week or even one workout on a product. I like to see if it will continue to work. With Shock Therapy I'm happy to say it does. Value: Great Value.

Shock Therapy: Official Feedback & Reviews - Bodybuilding Forums

CREATINE COMPLEX Shock Therapy contains two forms of creatine for maximal benefits in muscle strength and size. The first is creatine monohydrate, which is the tried-and-true form of creatine that has been shown to work in hundreds of studies. The second is Creatine MagnaPower, which is a creatine and magnesium chelate. Adding magnesium to creatine...

Universal Nutrition Shock Therapy - Sports Nutrition

Energy & Focus† Strength & Performance† Mix one scoop of Shock Therapy™ along with 10 oz of your beverage of choice. For performance enhancement use 30 minutes prior to training. Always start with a single scoop (or less) serving in order to assess individual tolerance. Do not exceed 2 scoops in a single 24 hour period.

Universal Shock Therapy - Muscle & Fitness

#1 I have not tried Jacked as of yet. . I am hard core fan of Universal. But after I have read from different forms on the USPLabs Jacked it got my Attention. Just the ingredient alone in Jacked got me thinking... See below I need some help... Anyone out in the world tried both Shock and jacked and has an honest option Jacked: Supplement Facts

Amazon: Customer reviews: Universal Nutrition Shock Therapy Pre .

Hey, I just started my first day using Shock Therapy yesterday. I took Shock Therapy as directed, on an empty stomach 30 min. prior to my workout. I really didn't feel anything until that 30 minutes hit. It was like clockwork. I started to feel a slight buzz but it wasn't quite as intense as I had expected based on previous reviews I had read.

Shock Therapy reviews - supplementarium

About SHOCK THERAPY. SHOCK THERAPY is made by our friends at UNIVERSAL, the same company behind the ANIMAL line of supplements such as Animal Cuts and Animal Rage XL. Upon knowing that, seeing SHOCK THERAPY have a long list of ingredients no longer surprised us. In fact, we expect a lot from it now as those two other supplements impressed us in .
