The energy at 2 capsules was also amazing. It was subtle yet super effective. Thermal spark gives you energy for about 8-9 hours. Cool, clean energy. So if you have a meeting or want to get stuff done, I would recommend taking 1-2 capsules beforehand. Another great aspect of Thermal Spark was the focus.

Rapid Fire Fat Burner Review (2023) - Lift Vault

Dec 15, 2019 #1 Hey! Did anyone tried Thermal Spark from imperial Nutrition? The pre-workout Excelsior is manufactured by the same company and in my opinion the only booster that gets you in the zone. High Focus and Energy without having goose pumps and jittering. Can anyone compare excelsior and thermal sparks in form of focus and Energy? Thanks

The spark plug heat range only indicates the rate that the spark plug dissipates its firing end heat to the engine. A hotter heat range spark plug has an insulator design with a longer heat flow path to the metal shell of the plug. As a result, more heat stays in the ceramic firing end and less is dissipated to the engine.
