## **Why Cycles el Jefe is a racey, titanium pro model MTB . - Bikerumor**

April 6, 2021 The El Jefe is the latest model to land in the Why Cycles titanium catalog. Think of it as the more serious sibling to the S7 and the Wayward. It's less swoopy, more serious, lighter, and faster-pedaling, yet it has clearance for a 29×2. 6" tire. This bike is Why's first "pro-model", akin to skateboarding, surfing, and snowboarding.

## 2021 Why Cycles El Jefe Base - Bike Insights

I have been riding one of the original prototypes since sometime last fall, and the El Jefe is a really rad and fun bike that also likes to be loaded and pushed hard. I smile so big every time I throw a leg over and take it for a spin. The bike features artwork based on some of my sketches.
