

Summary YK11 is quite possibly one of the most powerful SARMS on the market today, due to its unique nature as both a SARM and a myostatin inhibitor. Not only is YK11 a SARM, which will help promote lean muscle growth, but it also inhibits myostatin, which unlocks your natural bodybuilding potential. Is YK11 safe, however?

YK11 Reviews: 17x Users Share Their Experiences - Sarms.io

Gain Lean Muscle - YK11 will stimulate the production of muscle cells and lead to muscle gains that are good as any you'll get with a SARM; and even potentially as much as you can get with some steroids if

you put the physical work in. Consider that many have gained at least 10lbs of quality muscle on an 8 week cycle of YK-11 and you begin to see.

YK11: The Complete Guide - Sarms Report

Adapted from: Kanno, Y., Hikosaka, R., Zhang, S. Y., Inoue, Y., Nakahama, T., Kato, K., Yamaguchi, A., Tomiyaga, N., Kohira, S., Arizono, K., & Inouye, Y. (2011). 17β,20E-17,20-[(1-methoxyethylidene)bis(oxy)]-3-oxo-19-norpregna-4,20-diene-21-carboxylic acid methyl ester (YK11) is a partial agonist of the androgen receptor. *Biological & pharmaceutical bulletin*, 58(3), 318-323. <https://doi.org/10.1248/bpb.58.318>

While this doesn't tell us the half-life of YK11, this does allow us to speculate that its half-life may be similar to other SARMs like LGD-4033, ranging from 24-36 hours . So it'd be wise to take it once per day at the very least, with 2x/day dosing most likely being your best bet so that you can ensure you have an equal blood .

YK - 11 thoughts on half life? - AnabolicMinds

Overall, you can expect the following side effects: Acne and other androgenic sides. Liver damage. Testosterone suppression. Roid rage (in some individuals) Some report water retention as well. For optimal results, you might wanna have your diet, training, and whole life completely ready before taking YK 11.

YK-11 Review: Benefits, Side Effects & Where To Buy?

Insane results! His cycle: He took a bit too much YK11, but it paid off in the end. A six-week PCT with Clomid managed to patch things up so this bodybuilder escaped the cycle unscathed and with all of his gains. YK11 Results #3 (+ Cardarine)

YK-11 (Myostatin) SARM | Results, Side Effects, Alternatives
