NOT A 30 DAY

The International Olympic Committee and the local organizers announced on March 24 that the Games were being delayed for one year as a result of the novel coronavirus sweeping the world, but efforts to bring the pandemic under control have failed and a vaccine has yet to be developed. Even if an effective vaccine is formulated, critics point out, it is unlikely to be available in sufficient quantities for all the athletes, officials and hundreds of thousands of spectators from Japan and around the world.
