Здравейте всички ! Тъй като дълго време използвах личния си профил за споделяне на информация, свързана с фитнеса и всичко около него, реших да

направя този профил-страница, който ще бъде свързан само и единствено с фитнес, без каквито и да било други странични глупости ☐. Ще се старая да споделям разнообразна информация, да бъда активен и да помагам на всеки с каквото мога. Основната ми идея е да споделям инфо относно всякакъв вид тренировки, анатомия на мускулите, здравословното хранене, хранителните добавки, както и подробна информация и пояснения за анаболните стероиди и техния прием, тъй като това все още е една "тема табу" за повечето, а интереса към тях става все по-голям.
