Ova godina svi znamo kakva je, mi se nazalost nismo najbolje snasli i nismo pokazali da vredimo a imali smo i druge prioritete a to je upis na fakultet. Miona od danas na studijama u Ljubljani.

So, this is actually super fucking hard for me to post because i am just mind blown that i ever let myself get to that point. I was in such a bad place in my life as far as my fitness and mentally for awhile. I didn't workout like i should've *tried to but always quit a couple weeks in* was constantly eating fast food, drinking a lot and just being super lazy in general. I have never felt so uncomfortable in my own body than i did at that point in time. The first pic i ever took of myself was on August 2nd and is on the left and the right is my most recent pic that was taken September 23rd. It's been almost a full 2 months since i started this process. I am nowhere near where i would like myself to be but I am damn proud of myself for how far I've come in such a short amount of time. I can't wait to continue this process and push myself to keep exceeding my goals and making new ones! I legit could not have done this without the help of chris. He has pushed me to better myself in so many ways and i am so so so thankful for that. Also for the people that quit because they hate waiting for the progress to show *i was one* it will come just be patient the results will make it worth the wait!!

Ein weiterer großer Unterschied liegt in der Art der Betreuung. Während es in PT zumeist lediglich um die Betreuung des Trainings (+evtl. Ernährung) geht, handelt es sich bei einem Coaching meist um eine rundum Betreuung (Stressmanagement, Appetit, Gewohnheiten ändern,...).

30 pull ups, 30 clean & press (24kg KB), 30 swings into tyre flips, sled pull (75kg) 15 pushups (repeat 4 times) & then came the cheeky finisher - 30 cal - ski, row & bike.

Anavar ist in Genf Schweiz erhältlich in Apotheken mit einem Rezept von einem Arzt. Jedoch ist wenn Sie nicht in der Lage, ein Rezept zu erhalten, sie auch über das Internet erhältlich ist und gibt es nicht rezeptpflichtig, anabole Steroide über das Internet zu kaufen, sicher und in der Regel recht zuverlässig.

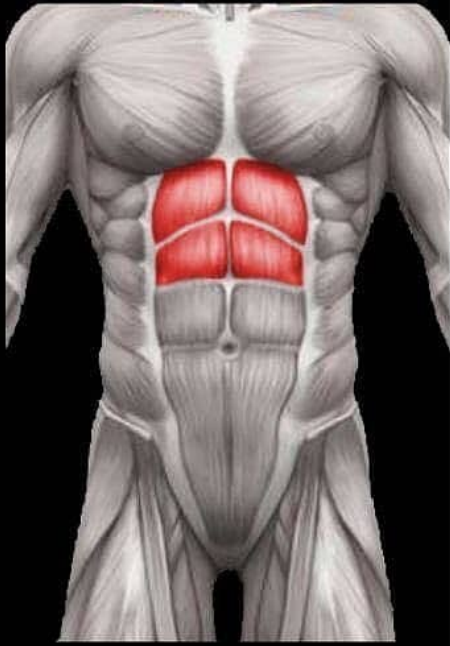

Decided to put my nose ring back in. I've wanted to get a hoop for FOREVER. I was nervous that wearing a nose piercing would make me feel too feminine, but I must say I'm loving it so far. Definitely feeling myself a little more lately, which I'm so happy about. I'd like to get a little more serious with eating better and losing weight, but overall I'm so much more comfortable and confident in this body.
