The medication can be used...

# 8 cosas que suceden en tu colchón

## COSMÉTICOS

Las lociones, las cremas, el maquillaje y los productos para el pelo pueden hacer que se desprendan restos de la piel o el cabello de una persona en un colchón.

## ESPORAS FÚNGICAS

Las plumas y los tejidos sintéticos pueden contener entre cuatro y 17 especies diferentes de hongos, entre ellos el Penicillium, el Alternaria Cladosporium y el Aspergillus. Los hongos agudizan el asma y las alergias.

## SUDOR

Los humanos producen hasta 98 litros de sudor en la cama por año. Esto, junto con el calor corporal del sueño, proporciona un ambiente ideal para que los hongos y las bacterias crezcan.

## ALÉRGENOS

Cualquier sustancia que cause una reacción alérgica se considera un alérgeno. Tu cama contiene ácaros del polvo y piel muerta de gatos, perros y mascotas que contribuyen

Steroide. Pack hat 50 Tabletten und 1 Tablette enthält 10 mg Oxandrolon. The bad boss controlled this  
guy's (aka Louis) life. He forced him to do things that weren't good for him and that he didn't want to  
do. The boss cared only about money. He wanted all for himself. He didn't care what might happen to  
the guy. The boy's partner said "You're expendable. You'll get killed "He's taking and taking from you,  
you need to get away, as far as possible. He's never gonna stop" but he told her that he had to do it, he  
had to be loyal because the boss raised him. "I've known you since you were a kid". There was a scene  
when he went to his boss to try to get out of this whole mess and said "I'm thinking of taking a step  
back" and the bad guy responded "I decide what you do and when you do it. All I need from you is  
loyalty. Got it?" and when he nodded he got a pat in the cheek and the boss said "Good boy" ?? "No  
mistakes. All you gotta remember is to put your fucking mask on" (He had to pretend to be someone  
else. "I took some time 'cause I've ran out of energy of playing someone I heard I'm supposed to be") He  
just felt he had to do this final job. Then his boss said there's no way this guy would survive but in the  
end he outsmarted his boss, took all the money (Louis left Syco) and reunited with his lover. They got  
freedom.. (still waiting for this part in real life). Louis closed this trilogy with "Only the brave" playing  
in the end, the song that he said means that basically love is only for the brave. He said yeah my love  
was worth all of that and I'm fucking brave for it. Our love is only for the brave. We beat the odds  
together. We made it. IT REPRESENTS HIS LIFE. HE LITERALLY SHOWED US HIS STORY.  
THERE'S SO MANY PARALLELS. JUST LISTEN TO HIM. [how much is yours worth?](#)
