When you are emailing the physician, try to keep the email short and sweet! Tell them that you are premedical student at whichever university you attend and why you would like to shadow them. I recommend using the foot-in-the-door technique when talking about scheduling! (a little MCAT P/S review lol). Start by asking to come in to shadow just once and if you like the physician and would like to return just send them a follow up email about that! [like it](#)
