on the spot. Less drowsy formula. 24 hour relief. Each tablet contains 25 mg of Meclizine Hydrochloride. Chewable formula. Treats symptoms on the spot. Truly non ... I often think about the difference between children/animals and the human adult..we get caught up in the future, past, and contrived shortcomings. It dampens, consumes and distracts us from our potential as we age. Children and animals live in the present. Mindful of the task and joy right in front of them. It ♦s hard because life does get busier and responsibilities certainly increase. But I urge you not lose that child within. Be in the moment when you can, connect with your younger self, and be present. It ♦s a gift.
