Testobolin is one of the many other different brand names of Testosterone Enanthate - assumingly the most famous and widely used form of testosterone. Nonetheless - there are still differences between Testobolin and other brand names for Testosterone Enanthate and in case there's none in terms of highest quality (since there are brand offering not very high quality products), there are ...

Description. Testobolin (Testosterone Enanthate) by Alpha Pharma is an injectable steroid which is a long esterated Testosterone product. This steroid hormone from the androgen group is primarily secreted in the testicles of males and the ovaries of females, although small amounts are also secreted by the adrenal glands.
