Background and aims: Proctitis is the least extensive type of ulcerative colitis, for which rectal therapy

is rarely studied and is underused. This study evaluated the efficacy, safety, and patient's preference of a novel formulation of budesonide suppository 4 mg, compared with a commercially available budesonide rectal foam 2 mg, for the treatment of mild to moderate ulcerative proctitis.

Bonus: Experienced users looking for a more hardcore option can try Lecheek Nutrition Andro-5a, but

note that it contains the prohormone 1-Andro and requires PCT after using it, as explained in our 1-Andro article. The above supplements use the high-grade Laxosterone whose lab tests are proven earlier in the article.

Pink Freud has no entrance signs. You can only find it by the small Sigmund Freud drawings on the walls next to one of the arches in 19 Nizhniy Val st. The paintings will lead you to a small courtyard with a bar in it. The bar opens up at 18:00 and closes with the last guest. The chef-bartender Gerasimos has invented 12 cocktails (\$4-5 each).

The last thing we saw from Lecheek Nutrition was their pro-hormone Andro-5A. Since then the fast

growing brand have launched the supplement, and now confirmed their next innovation, the peppermint flavored Stimshot. Usually a flavor like that would seem a little odd, however it is somewhat fitting with the directions Lecheek have given for the [...]
