Purchased mk-677 & mk-2866 to stack. should I add rad or lgd?

Just started. [deleted] • 1 yr. ago Not sure about OP, but personally Osta was like weak winny or var. It was nice, but I figure if I'm gonna fuck with my balls I might as well try out more beneficial SARMS. It's a good starter, but I kind of understand the underwhelmed opinion after trying it myself.
