

#1 Hello Guys! I would like to try MK677 for knee and shoulder joint/ligament pain, and faster recovery not so much for gains. Thinking about 12.5 - 15mg / day for 60-90days. Can it improve recovery in that dose? Also can someone tell me which manufacturer is good which I can buy from the EU? I've found five so far: -Immortal Science -DNA anabolics
