It has apparently been re-branded as "P6" or "P6 Red. " The product is mostly unchanged, other than the name. In fact, the label shown on the Cellucor site still refers to it as the "P6 Extreme Blend. " The only difference I can see between P6 and its earlier incarnation is that the proprietary blend has increased from 947mg to 1114 mg.

## **Cellucor P6 Black vs Red: The Complete Head to Head**

## P6 Black/Red Stack - Bodybuilding Forums

Formula notes: 5-in-1 Blend: Although it's a proprietary blend ( meh ), it's stacked with a 5-in-1 design to cover all the angles on masculine health (including the brain). Premium Herbs: P6 Xtreme takes the all-natural, all-botanical route on T-boosting with a decent amount of high-quality branded extracts.

## Cellucor P6 Chrome vs. P6 Red - Best 5 Supplements

P6 extreme black was deffinitely one of the better testosterone booster that I have used. Although it didnt really boost my sex drive like the Red P6 did, I did notice an increase in strength, stamina, and muscle growth. With that being said, you cant start eating these pills and just expect to get big all of the sudden.

## Cellucor P6 Black Capsules, 90 Count - amazon

The DAA in Cellucor P6 Black is slightly different in that it is chelated with Magnesium, which makes it more readily absorbed into your system. Probably the most exciting new ingredients are Alpha GPC and D-Serine, which effectively make Cellucor P6 Black a Nootropic as well as a testosterone booster.

## Cellucor P6 Review (UPDATED 2018) - Is It Safe? - VKOOL

Stamina What is Cellucor P6 Extreme? Cellucor claims the P6 Extreme's muscle growth formula is a testosterone boosting and hypertrophic agent. It also claims to elevate free testosterone, block estrogen, increase strength an lean mass, stimulate healthy libido, and enhance athletic performance.
