Best [deleted] • 7 yr. ago There was a thread posted a few weeks ago that verified Super LGD was legit.  
1 RedditUsers3543 • 7 yr. ago I bought Super LGD form Legendary Supplements, [legendarysupplements/primeval-labs-at-legendary-supplements/](https://www.legendarysupplements.com/primeval-labs-at-legendary-supplements/) and it was great. I gained 4 pounds while losing body weight around my mid section.

## Primeval Super LGD PCT - AnabolicMinds

#1 Good morning Dylan, I've read some disturbing posts about people claiming primeval labs SARMS are fake and actually just pro hormones. I am currently taking the super LGD and super cardarine from them with mild results. How do you know for sure these aren't real SARMS?

## Has anyone tried Primeval Labs Super LGD? : r/PEDs - Reddit

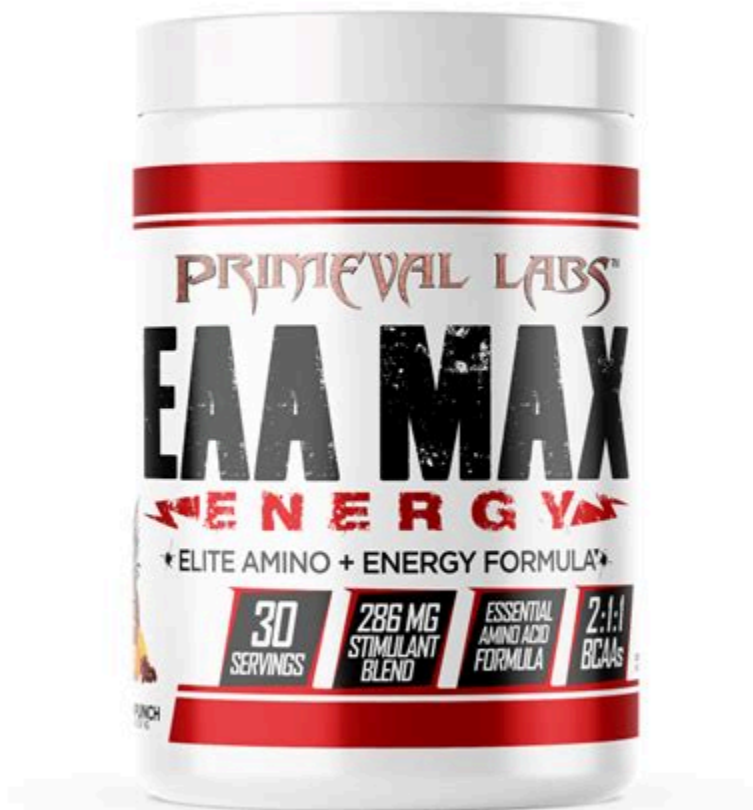

Mango Pineapple. Roberto S. Primeval Labs EAA Max has earned its five stars in my book, thanks to the outstanding Mango Pineapple flavor. The tropical fusion is not only refreshing but also a delight to the taste buds. It transforms my workout hydration into a flavorful experience, making it a joy to sip on throughout my training sessions.

Hi everyone, love the website/forums. Lots of good info and logs. I have a question regarding the Primeval labs Super LGD. I have gone through several of the logs for the product, and want to get some advice for the pct. It seems there is significant suppression, and I have seen some great.
