

Scam? : r/sarmssourcetalk. Purerawz. Scam? So after using IRC bio for my lab rat for a lengthy amount of time for MK677, they obviously went out of business so I decided to switch him to Purerawz. Supposedly the dose of MK677 he was getting from Purerawz was twice the amount he had been taking normally 25mg/ML with IRC bio @1ML daily to 50mg .

Pure Rawz Reviews 2024 - Is PureRawz Legit? SARM Formulas Worth It .

Ordered GW and Osta tabs. For my training schedule I first did a 4 week cycle of GW, literally no effects/side effects/results. Ok, could be bad luck, so after a month I did a 8 week osta cycle of Purerawz tabs. After week 6 I got annoyed, no effects, side effects or results. Finished the 8 weeks, still no difference in anything.

17 comments New banelord1976 • 3 yr. ago I stop taking mk677 for a while and started again from purerawz. Man the hunger was real. What also real was how strong I kept getting. I have not increase my gear dose. So everything should be the same. But it not and you can just tell in the mirror I was changing. So it seem legit to me. 1 Reply
