★★★★★ **Great Taste and NO artificial sweeteners!!!**

By Krista on August 6, 2018

Verified Purchase

Flavor: watermelon

I bought the watermelon flavor and it tastes great!! I wanted a BCAA with no artificial sweeteners, and this one is perfect. I will definitely buy it again.

★★★★★ **Tastes great, good stuff**

By DJP on August 5, 2018

Verified Purchase

Flavor: lemon lime

Although it's pricier than other brands, this definitely tastes terrific (lemon-lime) and has the right stuff in it. I use it while I'm working and it seems to relieve muscle exhaustion, let me go a little further than otherwise. I'd get again.
