Taking time for yourself is vital. It is not being selfish. But yes, a form of growth. Time to plan, design, visualize a goal .. you do it better if you take time for yourself and with yourself. I will stay so motivated, determined and strong. This is my life, my future and this is what I want most in the world. Working in the fitness sector, motivating others and being an example. Example of constancy, determination.

Com pot ser, torna als entrenaments Leo Messi i tu no? Prepara't aquest setembre per la tornada al cole i entra de valent per agafar forces per tot l'any i millorar la teva tècnica. Recorda reservar i validar les activitats! I si tens dubtes, apropa't a un dels nostres tècnics per a demanar assessorament.
