What is lip sculpting? The volume and shape depends on the patient's natural lip and facial proportions to achieve the most natural looking lips. We use products to provide a soft kissable lip with good volume and lasting shape. The cost is dependent on the patient's budget and "volume" required but the initial session is at a "fixed" price to ensure quality control. Lip sculpting can not be performed on previously filled lips(not done by Dr B) and patients will be required to dissolve all existing product. Results last between 6-9 months. White Lies Love. Dr B
