DIMENSION LABS - NANDROLONE DECONOATE 300 (DECA) 300mg/ml quantity. Add to cart. Categories: DIMENSION LABS, Injectables, Steroids. Description Reviews (0) Description. NANDROLONE DECANOATE is an injectable anabolic preparation containing a short-acting and a long-acting nandrolone ester. The short-acting phenylpropionate ester provides a rapid ...

Каждая программа строится строго под тот инвентарь, который у нас есть. Даже девочки подстраиваются под тяжёлые веса, поэтому рост замечается довольно скоро, ведь для развития надо делать гораздо больше чем, как нам кажется, мы можем сделать.
