Manufacturer: Mediatech First made available to the general public in 1960, Anadrol has since become a popular anabolic steroid for use in medical and body building pursuits. Originally this medication was designed as an anemia treatment due to the effect it has on the generation of red blood cells.

Anadrol-50 by Meditech is an oral drug with a dosage of 50mg per tablet. It is the strongest oral on the market. It has both high androgenic and anabolic effects. Strength and weight gains are very significant. It is highly toxic to the liver. this product also aromatizes fairly easily.

First shot of testosterone was a success! This is a huge milestone in my transition and I'm so beyond happy rn👏👏👏 #transgender #testosterone #ftmtransgender #lgbt #transpride
Meditech P's Anadrol-50 is one of the strongest forms of anabolic and androgenic steroid, in oral form, ever seen. We often see bodybuilders, athletes, power lifts and weightlifter gaining 10 to 12 kilograms of body weight in the first couple of weeks of their cycle.
