A Maintain this week, not mad about it. I went a bit mad last weekend cos I felt crap and had 2 takeaways ☐ i blame that time of the month. Took back the power on Monday, eating healthy and active every day. Gonna push on for a loss now next week ☐☐ 18 lbs gone that I won't

be taking back! Happy Friday ♥

Primobolan Depot is the only steroid that works well on a low calorie diet. Depending on your goals, it can be used effectively in combination with any steroid, and it does not effect natural testosterone production. Primobolan Depot is also commonly used to bridge between two stronger steroid cycles, to help preserve gains that were made.
