WHAT DO YOU WANT MOST?

Is It Money, Fame, Power, Contentment, Personality, Peace of Mind, Happiness?

The Thirteen Steps to Riches described in this book offer the shortest dependable philosophy of individual achievement ever presented for the benefit of the man or woman who is searching for a definite goal in life.

Before beginning the book you will profit greatly if you recognize the fact that the book was not wri entertain. You cannot digest the contents properly in a week or a month. After reading the book thoroughly, Dr. Miller Reese Hutchison, nationally known Consulting Engineer and long-time associate of Thomas A. Edison, said-"This is not a novel. It is a textbook on individual achievement that came directly from the experiences of hundreds of America's most successful men. It should be studied, digested, and meditated upon. No more than one chapter should be read in a single night. The reader should underline the sentences which impress him most. Later, he should go back to these marked lines and read them again. A real student will not merely read this book, he will absorb its contents and make them his own. This book should be adopted by all high schools and no boy or girl should be permitted to graduate without having satisfactorily passed an examination on it. This philosophy will not take the place of the subjects taught in schools, but it will enable one to organize and apply the knowledge acquired, and convert it into useful service and adequate compensation without waste of time. Dr. John R. Turner, Dean of the College of The City of New York, after having rephilosophy is your own son, Blair, whose dramat BTT C "The very best example of the soundness of this philosophy is your own son, Blair, whose dramat C utilined in the chapter on Desire." Dr. Turner had reference to the author's son, who, born without but actually converted his handicap into a pricel Set Bookmark in the philosophy here described. After reading the story (starting on page 52), you will realize t can be transmuted into material wealth, or serv that you are about to come into possession of a philosophy which

ng you peace of mind, understanding, spiritual harmony, and in some instances, as in the case of the author's son, it can help you master physical affliction. The author discovered, through personally analyzing exchanging ideas, through what is commonly c down together and talked freely until they discove their purpose. You, who read this book, will get their purpose. You, who read this book, will get the putting into practice the Master Mind principle Close cessfully) by forming a study club, consisting of described in the book. This you can do (as other any desired number of people who are friendly a e club should have a meeting at regular periods iding one chapter of the book at each meeting, after often as once each week. The procedure should consist of rea which the contents of the chapter should be freely discussed by all members. Each member should make notes putting down ALL IDEAS OF HIS OWN inspired by the discussion. Each member should carefully read and analyze each chapter several days prior to its open reading and joint discussion in the club. The reading at the club should be done by someone who reads well and understands how to put color and feeling into the lines. By following this plan every reader will get from its pages, not only the sum total of the best knowledge organized from the experiences of hundreds of successful men, but more important by far, he will tap new sources of knowledge in his own mind as well as acquire knowledge of priceless value FROM EVERY OTHER PERSON PRESENT.
