Lips are the cherry of the face . They aren't as simple as they might seem since they need to be integrated into the face . We staged prior to this with a thread lip lift since putting more filler by itself wouldn't look classy . This is the same day after we used a thin HA filler to sharpen and crisp up the detail. When it settles it will be the shape we wanted and look sexy-human . Only wholesale prices. NO MINIMUM TILL MAY 2014 Oxandro DB 100 tablets x 10 mg of oxandrolone in one box.
