◆ AminoWise also contains a Recovery Blend. This blend contains wolfberry powder and antioxidant ingredients to support recovery after a hard work out. The polyphenols, zinc, and vitamin E work synergistically to protect the muscles from fatigue and damage induced by exercise. Specifically, they work to reduce the release of lactic acid! A daily oral 100 mg dose of DHEA for 6 months resulted in elevation of circulating DHEA and DS concentrations and the DS/cortisol ratio. Biotransformation to potent androgens near and slightly above the range of their younger counterparts occurred in women with no detectable change in men. #doctors #doctor #medicine #medical #covid #nurses #health #healthcare #hospital #nurse #coronavirus #surgery #medicalstudent #mbbs #neet #medschool #medstudent #medico #surgeon #doctorsofinstagram #stayhome #medicalscool #love #corona #medlife #pharmacy #anatomy #india #staysafeeveryone [helpful site](#)
