Boyle, considered founder of chemistry was a Christian. We have all sinned (lying, swearing, etc.) the Holy Just God, but God took on flesh, lived the perfect sinless life and willingly laid down His life in the person of the Lord Jesus so we could be saved freely by turning to God through faith alone in the risen Christ. #Science #evolution #earth #atheism #agnostic #agnosticatheist #agnostictheist #biology #Christianity #skeptic #nasa #sky #scientists #religion #antireligion #heathen #astronaut #milkyway #agnosticism #species #astrology #cosmology #astrophysics #astronomy #astrophotography #cosmic #universe #galaxy #space #stars.\_
