I went into this season telling myself that I will not eat everything under the sun like I did last year, post show. I got so sick from doing that. It was the worse feeling ever. Equipoise doses in the 300-400mg per week range will be perfect for most men, but some will require or desire a little more. Many men can tolerate as much as 600mg per week very well, but we cannot advise going over this dose for most men. Equipoises, like most anabolic steroids, will increase red blood cell count. #genetics #dna #science #biology #biotechnology #molecularbiology #microbiology #cannabis #biotech #biochemistry #cannabiscommunity #research #genes #gene #medicine #health #biotechnologist #laboratory #growyourown #cellbiology #fitness #marijuana #scientist #genomics #microbiologist #love #biotechnologystudent #seeds #geneticstesting #bhfyp [check out the post right here](#)
