primelabs.com Reviews. Reviewed by a non-active member of eroids.com. His address no longer exists, and his website has been taken down. Money picked up the 10th, said it was shipped that day priority 3 day shipping, should've recieved by the 16th at the latest.

Got gear called TESTON 400 by prime labs. its a blend. real or fake guys? i know 2 gym rats on it who have success but i just want to be sure. its dosed at 400mg/ml and its a 10ml bottle. i got arimidex on deck and clomid/nolva for pct after. its been 4 days since the first dose wondering when should i feel it. Really starting to see and feel the benefits of changing my training routine up this last 6 weeks and taking control of my diet. Structuring a push/ pull / rest / legs split I ve been resting more than I ever have and actually allowed my body to recover.

Estudos comprovam que o estilo de vida saudavel, com boa alimentacao e pratica regular de exercicios, ajuda a prevenir e reverter o diabetes do tipo 2.

Results 1 to 2 of 2 Thread: Is My Gear From Prime Labs ... Bad Terrible 05-19-2014, 09:21 AM #1. Lovemiami. Associate Member Join Date May 2014 Location Miami Posts 190. Is My Gear From Prime Labs Good?? I wanna know if some one has try this products and how good they were for them ... TB500 (Thymosin Beta 4) is a muscle recovery drug. It is present in the body and is commonly found in the skeletal muscles and all muscles of the body. Many bodybuilders inject TB-500 into their body to increase the healing process of their naturally occurring TB-500. It has a vital role in building new blood vessels, new small muscle tissue fibers, cell migration and blood cell reproduction. The main focus of using TB-500 is to increase the production of Actin in the body that is associated with muscle repair. Primo Labs is a Canadian Company, selling the best option for safe and legal steroid alternatives that are said to be just as strong. We ship worldwide and offer free shipping over \$200.
