EQ 600 mg/week + Tren 400 mg/week . For cutting as follows: EQ 400 mg/week + Tren 400 mg/week . Due to a natural suppression of testosterone, which you should expect if stacking Trenbolone and Equipoise, experts recommend that you use a testosterone ester as well.

My second at home resistance bands workout, triceps! I did this tricep workout yesterday with back.(That's how I'm currently doing my split.) I can honestly say my triceps are sore today!
