WINSTROL 50mg x 60 tablets. ♦ Chemical Name ♦ Stanozolol. ♦ About ♦ One of the favourite orals on the market. Well tolerated and highly anabolic steroids while having low androgenic properties. Can experience very lean, hard gains and popular among steroid users during on & off seasons.

I used to eat my daily calories then spend the evening snacking, drinking beer as I used to convince myself "I'm fueling my body, gotta make sure I'm gaining weight"

Winstrol Tablets VS Injection. While some brands of Winstrol like Stano-10 Meditech are offered in tablet-form, others come in the form of an intramuscular injection. The two big differences when it comes to Winstrol tablets vs injection: Winstrol pills are easier to take, but injections are easier on the liver.
