Description Proviron 25mg 100 tabs - Biopharma Steroid Online in US Proviron is a derivative of the hormone dihydrotestosterone (DHT). This is because a methyl group has been attached to the first carbon position of the hormone. Buy steroids online USA.

Proviron has gained quite a reputation for itself since its widespread rise to fame in the 1970's - with some even heralding it as the most important anabolic steroid ever to be created.. Whilst this latter claim is absolutely inflated (it simply isn't powerful enough in any particular capacity to warrant this association) it's safe to say that proviron is indeed important and can make ...
