Hilma Biocare is offering Drostanolone (both Enanthate and Propionate) keeping the brand name exactly as the chemical name, as most other steroids. The compound is having a high effectiveness when talking about boosting physical appearance and performance because is boosting energy, stamina, helps build muscles and maintain them, aids fat loss ... Alors non le beurre de cacahuète ne va pas m'aider entièrement... si cela était le cas vous pensez bien que je me nourrirais exclusivement que de cette merveille... quitte à me laver avec chaque matin et m'en faire des gommages! D'ailleurs ce serait pas une top idée ce genre de soin de peau?!?! Bon au risque de tomber dans la cannibalisme pour le coup!
