This has been a crazy year but I am grateful that I was able to start this journey just before the pandemic really kicked in. I'm very proud of myself this year. Not just for starting T, but for being my most authentic self, whatever that looks like. I have made an effort to be vocal about the things that matter to me and fight for what I believe in. I let myself do the things *I* wanted to do, because they make me happy not because of anyone else. [continue](#)
