I struggled to build muscle, I lacked confidence in myself, it seemed that no matter what I was doing I just felt like I would never get a body that I could be proud of.

Kids need exercise just as much as adults so introducing them to a gym environment is not a bad thing. Don't worry didn't have them on the leg press ☐! But thankful as a single parent to @b3_fitnessbrackley for their kid friendly attitude and this area for them to hang out and play pac man ☐.(little jealous). I got my workout done, which they could see me do, they had fun and made me these great pictures. My girls ♥. TeamS ♥
