Stanos 10 mg (Stanozolol) by Driada Medical with active substance Stanozolol can be bought from our online steroid shop. November 20,2022. We are still open, taking in orders, shipping, and delivering as usual! No delays with US domestic packages during the Coronavirus. Packages shipped to the US arrive in 2-5 weeks.

STANOS 10. Pharmacokinetics and Indications: Stanozolol is a synthetic anabolic steroid approved by FDA for human use. It is derived from testosterone. Stanozolol has large oral bioavailability because it survives through liver metabolism and therefore available in tablet form. It does not produce estrogen as end product. [try these guys](#)
