Masteron 100 (Malay Tiger) (10 Vials x 100mg) - Steroid Tree

Other trade names of Masteron are Masterin, Metormon, Drolban. Despite this, Masteron is one of the most recognizable brands in the West. About two decades, Masteron successfully helped women fight breast cancer. And yet, the drug won its popularity thanks to its use in the field of bodybuilding. Masteron is also used to gain muscle mass.

Malayan Tiger - Masteron-100 - 1xmatch

Masteron - 100 Malayan Tiger (masteron) is a drug with a moderate anabolic effect and weak androgenic activity. In the injectable form, it is an ester and has a long-lasting effect on cellular structures. Related products. Propionate 100mg/1ml Malayan Tiger (testosterone propionate)

Malay Tiger - Anabol. bg

The drug is available in vials of 50 or 100 mg/ml. The optimal dosage is 400-500 mg/week. It makes no sense to increase the dosage because it does not lead to an increase or improvement in performance, but causes an increase in the number of side effects and an intensification of their negative manifestations.

Masteron 100 (Malay Tiger) (10 Vials x 100mg)

Masteron-100 from Malay Tiger (Masteron Propionate) is a drug with a moderate anabolic effect and weak androgenic activity. Under the trade name Masteron anabolic first appeared on the market in 1970. The product has a slight diuretic effect, which is useful for lean muscle mass.
