Astralean is the brand name of the product manufactured by Alpha Pharma containing Clenbuterol Hydrochloride which is coming in form of tablets. Astralean manufactured by Alpha Pharma is the same compound as very famous medication Clenbuterol but the only difference is in the manufacturing company and the price. With Astralean by Alpha Pharma customers are allowed to save a lot of money ...

This notion is of course scientifically impossible. In scientific terms, an individual must be in a state of caloric deficit for weight loss to occur in the first instance. But by 'eating more than they ever have before' they have simply increased the volume of lower calorie foods across their overall dietary intake. Thus they are eating more total food, but fewer overall calories, resulting in adherence to a caloric deficit. -
