Nebido: Uses, Dosage, Side Effects, FAQ - MedicinesFAQ

Nebido

Nebido uses, dosage, side effects

Testosterone Capsule: The active substance of Testosterone is turned into Testosterone by your body. Testosterone is the natural male hormone, necessary for the normal growth, development and function of the male sex organs and for secondary male sex characteristics. Preparations containing Testosterone are usually prescribed to replace the hormone if the body is unable to produce enough on its own.
