Testosterone Test: Kit Cost and Results in Men and Women - Verywell Health

A good testosterone test should be like a five-star Uber ride: safe, affordable, reliable, and comes right to your door. Hone's at-home testosterone test ticks all those boxes and then some. . Other popular testosterone home tests only measure free testosterone or total testosterone. Those are important numbers, but like an Uber driver without GPS, it's only going to get you so far.
