THE REAL MUSCLE BUILDER[†]

THE REAL DEAL

When it comes to picking the right protein that works best for you, ask yourself one single, major question - "WHAT DO I WANT TO LOOK LIKE?" – Yeah, we know exactly what you want. You want to build muscle, increase strength, and carve out a physique etched in stone. Sounds easy, huh? Well, the problem is most of the proteins on the market are over-hyped and poorly formulated. These over-hyped proteins mostly contain a lot of fillers, flavors and sweeteners that have little to do with getting the protein you need to get maximum benefit from your protocol. This is exactly why TOTAL PROTEIN™ delivers.* It provides a mouth watering generous amount of protein per serving and is the ONLY ONE that comes with the endorsement of 4X Mr. Olympia Jay Cutler, himself.*†
