

Geneza Pharma is a very strong lab, they are thought to have actual licensing in Europe. It came around the time that British Dragon was leaving the market. Geneza has a fantastic product line and does a great job of catering to the steroid hardcore user. Their products are shipped through sachets and bags which is a great idea to get through .

Injectable Steroids - Steroid Jet

Geneza Pharmaceuticals is an European pharmaceutical company with over 10 years of history. It focuses on manufacturing of pharmacology for medicinal purposes (for traditional and veterinary medicine). Geneza Pharmaceuticals has a modern technical equipment necessary for the development and production of steroids as oral (tablets) and injectables.

History of underground, vet grade, and pharmacy grade steroids - Geneza .

GP Oral Tren is a form of the popular steroid Trenbolone which has been modified to become orally active. Trenbolone is the most powerful overall steroid in use by bodybuilders today. Tren, as it is often called, is both highly androgenic and anabolic. It is chemically unable to aromatize, and therefore produces no estrogen buildup.

why is geneza pharma gear so smooth? | Anabolex Forums

#1 I've used steroids for the past couple years and I have a really big problem with irritation when I inject them seems like they end up bothering me the next day after I inject. I've done my homework and it seems like this is called post injection pain anyway I started using geneza pharma.

Geneza direct, are they legit? | MESO-Rx Forum

geneza is up there with some of the best gear i've ever used which was in 2015-2016. i believe if you order from them now, you will gear and it might even be good, but there's just so many better sources that have built a reputation on here from great personal accounts, blood tests and lab tests. check out one of those guys. May 25, 2022.
