**Beware the mix of food and fear - the truth about ultra-processed foods .**

**“Ultra-processed foods are extremely harmful to health. They cause disease and increase waistlines. They’re nutritionally barren and loaded with sugar and salt. Eating more whole, natural foods that have been minimally processed, including more home-cooked meals, should be a top priority for all.”**

*Liz Pearson, RD ([www.lizpearson.com](http://www.lizpearson.com))*

Manufacturers claim that prohormone supplements build muscle and burn fat. Like steroids, most prohormones are illegal in the US. Many weightlifters, bodybuilders, and other athletes turn to steroids and hormone supplements like prohormone to enhance their athletic performance and/or muscle size. Some may be seeking a quick fix to increase .
