We are an enormously successful company that creates, manufactures and sells high-quality herbal products sold by the large, major retailers across the United States.

Anyone tried Hi Tech Pharmaceutical Anavar and 1 Testosterone

Hi-Tech Pharmaceuticals Winstrol. To increase your body's ability to build and preserve lean muscle mass, buy Winstrol, the anabolic prohormone released by Hi-Tech Pharmaceuticals, leaders in Prohormone research and usage. This supplement aids during the cutting cycles of bodybuilding to metabolize adipose tissue while maintaining lean muscle.

Hi Tech Pharmaceuticals : r/prohormones - Reddit

anyone have experience with hi tech decabolin or superdrol? im new to PH but i have a decent amount of experience with sarms i've had buddies run 1 and 4 ando PH but is superdrol just a simple 1 tablet dose? and i have no idea how to dose decabolin which im planning on using first Sort by: Top Datmetaldrummer95 • 4 yr. ago I have ran both.

I want to start using Hi-Tech Anavar : r/prohormones - Reddit

thad_castle93 • 8 mo. ago. The Pro Hormones from AW are plant derived test boosters now. Even the Originals were very under dosed. If youve made the decision to take anything and spend the money, just take the actual thing. They shut you down either way.

3 Best Prohormone Companies - Muscle and Brawn

The hi tech PH's are trash IMO and I don't like the fact that they name almost all their stuff after actual roids, I don't even want to imagine how many guys bought stuff like their superdrol or winstrol thinking it was the real deal and that simple to get when they first started out.

Hi-Tech Pharmaceuticals Winstrol: A Overview of the Effects and Uses .

For those with great self control however, this Prohormone can be used effectively on a cut as it directly increases vascularity and helps increase muscle hardness and definition. 19-NorAndro or 19-NorDHEA (also 19-NorAndrost-4-ene-3b-ol, 17-one, 19-Nordehydroepiandrosterone) Available Products: Decabolin®.

Supplement Spotlight: Hi-Tech Pharma Winstrol - I'll Pump You Up

SOMETIMESIGOBACK. • 3 yr. ago. Yes I have tried both before and am running both now you will gain a few extra lbs of muscle and even more if you run 4andro run 4 andro at 300mg 1 test at 330mg

and take with the anavar at the recommended dosage!!! You will see gains not steroid gains but prohormone gains less gains but a lot safer because not .
