

I had tried searching on Reddit for reviews on 1st Phorm and if it was an MLM, and everything came back as no. While 1st Phorm does have an ambassador type program, called the Legionnaires, they make money on commissions but it's not an MLM or pyramid scheme. Besides the \$12.99 a month for access to the app there are no other commitments or .

Here are the things 1st Phorm has in common with MLM. You have to be a customer to be an affiliate. I.e. you have to buy in before you can sell. They heavily recruit a non-salaried sales force, who again, but buy in before they can sell. There are two forms of income. It may not be direct sales and commission off the level beneath you, but the .
