Circuit Court Cause No.

Dear :

As you will recall, we settled this matter back last fall. However, in reviewing my file it appears that we failed to enter an Agreed Order of Dismissal of both the Complaint and Counterclaim as we had agreed. In order to tie up the loose ends, I would be most appreciative if you would sign the enclosed Agreed Order and forward it to the Court for entry.

Also, my client informs me that they have not received a signed Reinstatement Agreement as agreed. I spoke with in mid-March and sent her another copy of the Reinstatement Agreement. I would be most appreciative if you check on the status of the agreement and have it returned to as soon as possible.

I appreciate your cooperation and consideration in this matter. Should you have any questions, please do not hesitate to call.

Sincerely,
